Re: Securities and Exchange Commission v. Madison Real Estate Group, LLC et al, Civil No. 2-08-CV-00243 - Support of Receiver's Motion for Settlement with Intervenors

This letter is to advise you that as Madison Investors, I have no objection to and am in support of the Receiver's Motion for Settlement with the Intervenors.

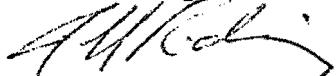

We have read the recent letter that the Receiver, Roger McConkie, has sent to all of the Madison investors regarding the Motion for Settlement with the Intervenors, Sharon and Jon Van de Graft, Marlene and Matthew Walshin, and Cynthia and Roger Mauer.

We are in support of the settlement for the following reasons:

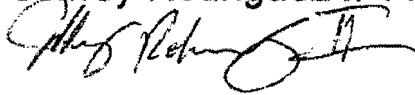

- We believe the settlement is fair.
- We do not want to risk being zero funds for distribution if the Crosby Green Intervenors win.
- We do not want the Receiver to spend any more money fighting with the Crosby Green Intervenors.

Thank you for your consideration.
